New Varieties Offered This Year

MADAME VAN KONYNENBURG (K & M)

Most distinct and pleasing lilac blue; tall strong grower.

VIELCHENBLAU (K & M)

Very beautiful clear blue. An exceptional color.

ELDORA (Kemp)

The flowers of this beautiful variety are a combination of the loveliest colors imaginable. Capucine Buff shading to Grenadine Pink, flaked Jasper Red. The low petal has a very narrow stripe of Amaranth Purple. The flowers are four inches and over across; four and five open at a time and are borne on strong straight stalks 4½ feet high.

RUFFOLACE (Kemp)

Nicely ruffled, beautifully lacinated pure white flower, four inches and over in diameter. Four and five open at a time, well placed on straight stout spikes three feet high. Probably the herald of a new race of Gladiolus, more beautiful in form than any now in existence.

GOLD EAGLE (Austin)

A new yellow that is a distinct advancement in the Gladiolus world. The blooms are of a good size, and a deep rich yellow, beautifully ruffled. An early bloomer. Straight, slender wiry spike that withstands the heavy wind. One of the best commercial yellows.

GOLDEN SWALLOW (Austin)

Clear soft colored yellow throughout. Petals beautifully formed and finely frilled and ruffled. Blooms 4½ to 5 inches across; are well placed on wiry spike.

BENGAL TIGER (Pratt)

In color and stripes it looks just like its name. A good grower and an excellent garden novelty.

EMILE AUBRUN (Lemoine)

One of the largest, most distinct and striking in color, which is an indescribable blend of salmon, orange, slate, etc., the whole effect a coppery bronze, cherry colored blotch in center. Immense flowers on grand long spike.

KIERCHOFF'S VIOLET (Kierchoff)

A deep rich violet blotched purple. 7 to 9 flowers open.

MINUET (Coleman)

Silver medal winning lavender. Clear sparkling color. Without question one of the very best.

SCARLET TREASURE (Austin)

A dazzling velvety scarlet, graceful spike. A very striking variety.
